

Your Community. Your Story.

Rooted on the Shore Community Mural Survey

Hebron Savings Bank and We Are Limitless Studios are creating a series of community murals celebrating the unique people, places, history, and character of Maryland's Eastern Shore. Select the community you know best and share your ideas to help inspire a mural that reflects its story and spirit. The murals will be installed around the drive-thru ATM areas at our branch locations, creating welcoming public art that reflects the pride and identity of each community.

Thank you for helping us celebrate the people, places, and stories that make Maryland's Eastern Shore so special. Learn more and follow the progress at www.hebronsavingsbank.com as this amazing community art program comes to life.

Thank You

Thank you for helping shape Rooted on the Shore. Your feedback will help create murals that honor the history, celebrate the present, and inspire the future of communities across Maryland's Eastern Shore. Together, we're creating lasting works of public art that reflect the pride, character, and stories of the places we call home.
