

## Updating your Address

Log into Online Banking.

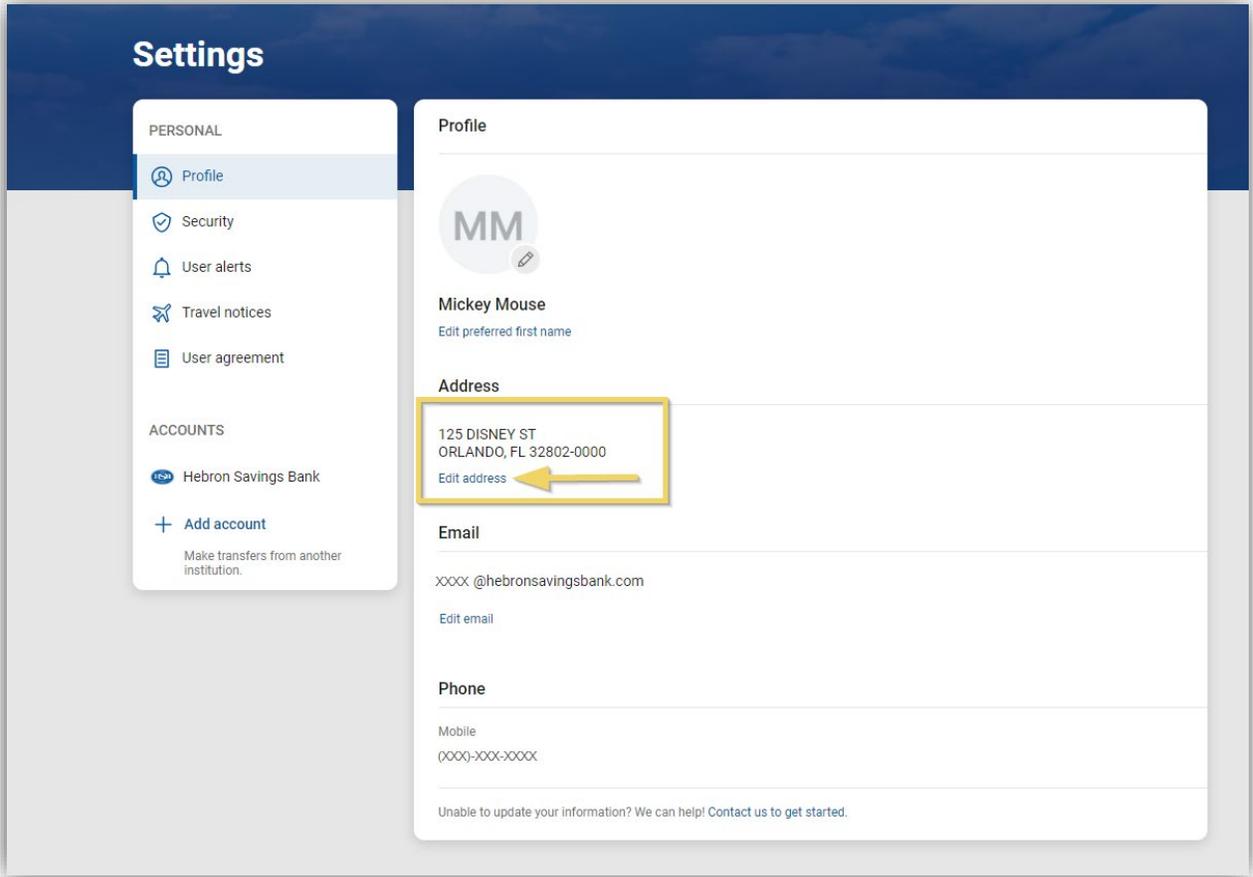

Click the caret or little up arrow at the bottom of your menu.

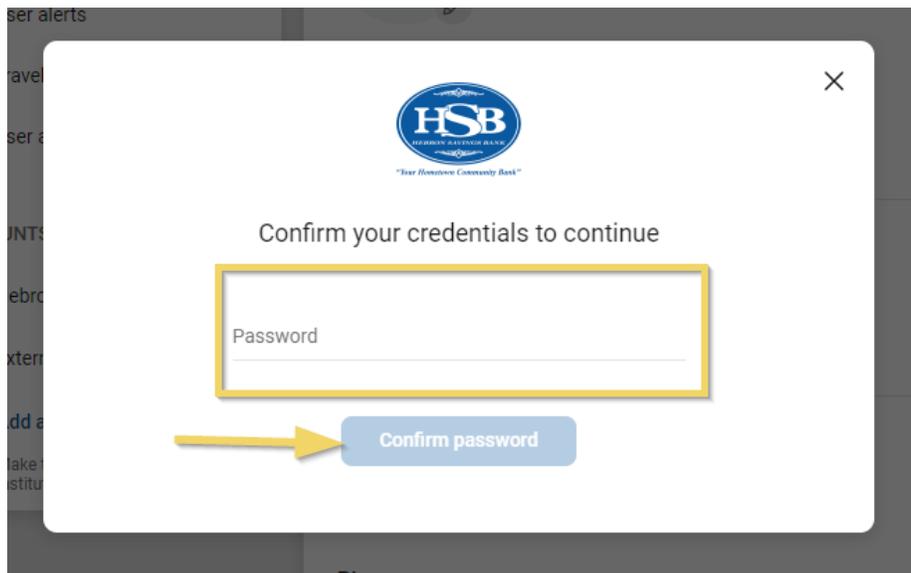

Choose Personal settings.

Click Edit address.

You will be prompted to reenter your password.

Enter your updated address.

Click Save.

The screenshot shows a 'Settings' page with a 'Profile' section. The profile name is 'Mickey Mouse' with a circular avatar containing 'MM'. Below the name is the text 'Edit preferred first name'. The 'Address' section is highlighted with a yellow border and contains the following fields: 'Street address' with the value '125 DISNEY ST', 'Street address 2 (optional)', 'City' with 'ORLANDO', 'State' with 'FL', and 'Zip' with '32802-0000'. Below the address fields is a 'Notes (optional)' field. At the bottom of the address section are two buttons: 'Cancel' and 'Save'. The 'Save' button is highlighted with a yellow border, and a yellow arrow points to it from the right. Below the buttons is an 'Email' field.

**This will open a conversation with our Customer Care Center. Customer Care will need to call the number on file to verify you requested this change to complete the update. No changes will be made until they are able to confirm you made the requested change.**
