

HEBRON SAVINGS BANK

"Your Hometown Community Bank"

Take full control of your debit card — right from your phone.

Hebron Savings Bank's mobile banking app, HSB Mobile, lets you choose how, when and where your debit card is used.

ADVANCED CARD CONTROLS

Set up Advanced Debit Card Controls in your HSB Mobile App.

Now you can set alerts or add restrictions to your HSB debit card.

When it comes to security, Hebron Savings Bank's mobile banking app has you covered. That's because this powerful, portable app has Advanced Card Controls that put you in charge of who uses your HSB Debit Card — and how they use it. And it's as easy as a tap on your phone.

With Advanced Debit Card Controls, you can:

- Turn your debit card on and off if it's lost, stolen or being misused
- Get instant alerts when your debit card is used
- Set dollar limits to keep spending in check
- Prevent transactions that don't match your settings

It's just another way that Hebron Savings Bank helps you safely and securely manage your money.

Here's how to set up Advanced Debit Card Controls

STEP 1

Select "Preferences" from your app dashboard.

STEP 2

Go to "Manage Cards" and choose a card.

STEP 3

Tap "Alerts and Protection." Then, choose the controls you want to apply.

Download the HSB Mobile app on your Apple or Android device.
