

## Hebron Savings Bank – Lobby Restrictions

In light of recently confirmed cases of Coronavirus-19 in our immediate market, Hebron Savings Bank has made the difficult decision to restrict access to our branch lobbies to an appointment-only basis beginning Monday, March 23, 2020. Our branches will remain fully staffed, and we look forward to assisting you with your banking needs at one of our convenient drive-in locations listed below. For access to lobby-only banking needs (for example, to gain access to your safe deposit box or to open a new account), please call your branch to make an appointment using one of the phone numbers listed below. Hebron Savings Bank is proud to be one of the very few remaining banks whose sole focus is the customers and communities of the Eastern Shore, so this decision was not made lightly. However, in the spirit of recent State and Federal guidelines, and for the safety of our customers and employees, we feel this to be a prudent and necessary step. We apologize for any inconvenience this may cause, and we will work diligently to minimize any further inconvenience to you, our valued customers.
